

'Unlock the Rebate' Exclusive Trade-in Offer T&Cs

1. Offer is to trade-in existing LiFe4833P or Eco4840P batteries in current systems and replace with PowerPlus Energy's CEC-listed Eco4847P batteries (subject to availability and eligibility).
2. Eco4847P batteries must be purchased directly from PowerPlus Energy or an authorised distribution partner between 1 July 2025 and 31 December 2025 (inclusive). Find authorised distributors [here](#).
3. Installers are responsible for organising the return freight of existing batteries to major regional freight depots in accordance with our RMA process. Please contact our customer service team for assistance. PowerPlus may refuse to accept trade in of any existing batteries that do not follow the RMA process.
4. If you decide to claim additional rebates alongside the trade in offer, i.e. the Government Cheaper Homes Battery Program, please note that not all systems will qualify. Eligibility must first be confirmed by the installer. PowerPlus Energy is not responsible for confirming system eligibility.
5. To receive the \$200 ex. GST rebate and to start the new 10-year limited warranty, all Eco4847P batteries being installed must be correctly registered for warranty. Register [here](#).
6. All registrations, invoices and proof of warranty registration must be received by PowerPlus Energy within 30 days following the end of the promotion period. No exceptions.
7. Trade-in payment: payment will only be made with invoice identifying business, RMA number, ABN and banking details (30 days EOM) emailed to promotions@powerplus-energy.com.au.
8. PowerPlus Energy will determine at its sole discretion how best to deal with the returned existing batteries. Where practicable, they will be refurbished and donated to community causes.
9. Offer valid in Australia only and governed by the laws of Victoria.
10. PowerPlus Energy reserves the right to modify, suspend, or terminate the promotion at any time without prior notice.

HOW DO I CLAIM MY PAYMENT?
